It is a Curious Fact

That the body is now more susceptible to benefit from medicine than at any other season. Hence the importance of taking Hood's Sarsaparilla now, when it will do you the most good. It is really wonderful for purifying and enriching the blood, creating an appetite and giving a healthy tone to the whole system. Be sure to get Hood's Sarsaparilla, which is peculiar to itself.

The superior merits, as a blood purifier and invigorating tonic, possessed by Dr. Pierce's Golden Medical Discovery, warrant its manufacturers in selling it (as they are doing through druggists) under a positive guarantee that, if given a fair trial, it will cure all diseases arising from a deranged or torpid liver, as indigestion, or dyspepsia, and all humors, or blood taints, from whatever cause arising, as skin, scalp and scrofulous affections. The terms are, a benefit or cure, or money returned.

Manfield Shield and Banner: Registration in cases of this size is a fraud, a humbug, a delusion, a snare and a gross financial outrage upon the farmers and citizens in general. It is as useless as a little brain or common sense was in the late Ohio Legislature, or decency in certain Republican papers.

Registration will cost this city in the neighborhood of \$5,000 per year. The first duty of the Democratic Legislature, to be elected next fall, will be to repeal the registration law.

Take Hood's Sarsaparilla

Loses One Dollar

The Chief Reason for the marvelous success of Hood's Sarsaparilla is found in the fact that this medicine actually accomplishes all that is claimed for it. Its real merit has been proven by the fact that it has cured more than that of any other blood purifier.

It cures Scrofula, all Humors, Dyspepsia, etc. Prepared only by C. I. Hood & Co., Lowell, Mass.
